To My OSSTF Colleagues,

It is with great pleasure that I have accepted the request of my fellow branch presidents to run for the position of Provincial Councillor. I intend to be an active and vocal representative that is committed to justice and equity.

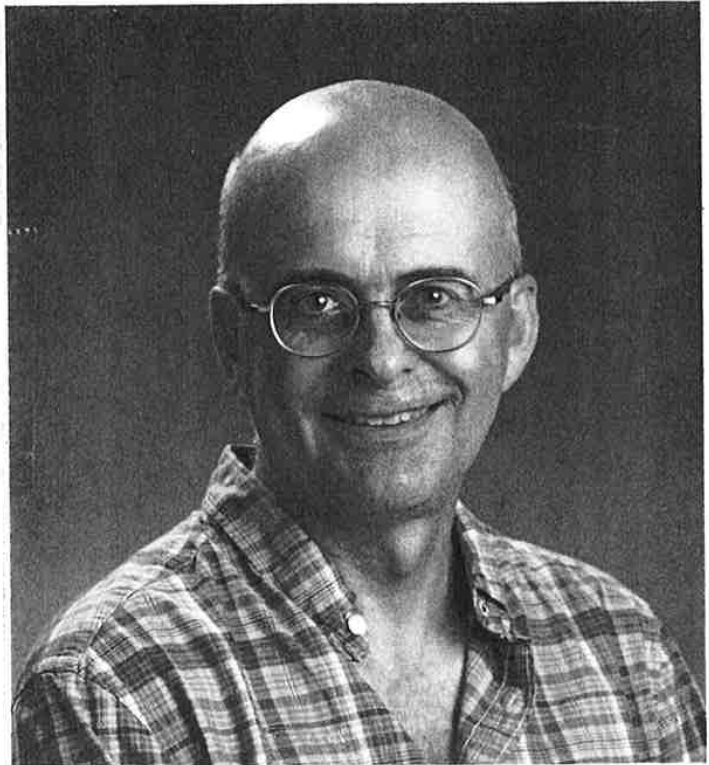

I have worked with the District 16 Office for over a decade as Branch President and Vice-President of Woodbridge College. I have fought for the rights of our members, while at the same time working towards a mutual understanding between administration and teachers. I have attended AMPA so as to better understand the overall community that is OSSTF and its capacity to create positive change in education and beyond.

It would be my honour to commit my time and energy towards creating a just, equitable and enjoyable educational community for our OSSTF members. We must stand united to create positive change.

Sincerely

Tony Antoniou

# Iain Beaton for Provincial Councillor

**Provincial Councillor – 13 years**  
**AMPA Delegate – 17 years**  
**Branch President - three years**  
**In-School Staffing Committee – twelve years**

While we have an extension to our collective agreements, the next two years will require preparation for the provincial election and for the next round of bargaining with whoever forms the new government. The new Provincial Benefits Plan that we are about to join will need to be monitored to ensure that our members are given adequate information, prompt service, and satisfactory coverage.

Locally, the new POR process has caused concerns and confusion, and as it continues the District will need to keep a close eye on applications, interviews, and the third-year assessments. Also, as the EDSBY platform is given Board-wide implementation, we must make sure it does not impose new expectations that burden members with increased workload.

I will continue to take seriously my responsibility as Provincial Councillor to represent you at Provincial Council – to speak up on your behalf, and bring information back to District Executive and Council.
